NATURAL PERSON IDENTIFIER

To confirm your natural person identifier, please use the reference list below. If you have more than two nationalities we only need to know about the two you most frequently use (including UK nationality where applicable).

This table shows the personal identifiers we have to hold for different countries. Please give us details of the first priority identifier if you have been given one by your national authorities. Otherwise, simply give us the second priority identifier if there is one.

Where **Not applicable** is shown, you only need to confirm the country of which you are a national.
